Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Group Benefit Program is provided by B.C. Ferry & Marine Workers Union, in partnership with The Manufacturers Life Insurance Company.

Your Plan Administrator

Your Plan Administrator is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by submitting all required premiums, reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your Plan Administrator with the necessary information to perform such duties.

Your Plan Administrator is _____
Phone Number: (_____) _____ - _____

Please record the name of your Plan Administrator and contact number in the space provided.

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed Enrolment or Re-enrolment Application form, available from your Plan Administrator. Your Plan Administrator then forwards the application to Manulife Financial.

Making Changes

To ensure that coverage is kept up-to-date for yourself and your dependents, it is vital that you report any changes to your Plan Administrator. Such changes could include:

- change in Dependent Coverage
- change of Beneficiary
- change in Name
- applying for coverage previously waived

To make such changes, you must complete the Application for Change form, available from your Plan Administrator.

The Claims Process

How to Submit a Claim

How to Submit a Claim

All claim forms, available from your Plan Administrator, must be correctly completed, dated and signed. Remember, always provide your Group Policy Number and your Certificate Number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim.

Your Plan Administrator can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

Payment of Extended Health Care and Dental Claims

Claim Payment

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, your Plan Administrator will help explain.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact your Plan Administrator.

Co-ordination of Extended Health Care and Dental Care Benefits

Co-ordination of Extended Health Care and Dental Care Benefits

If you or your dependents are insured for similar benefits under another Plan, Manulife Financial will take this into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of insured medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs;
- any other arrangement of coverage for individuals in a group; and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

Order of Benefit Payment

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the "Primary Carrier" (i.e., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the "Secondary Carrier" (i.e., responsible for making the payment to cover the remaining eligible expense).

The Claims Process

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- For Claims incurred by you or your Dependent Spouse:

The Plan insuring you or your Dependent Spouse as an employee/member pays benefits before the Plan insuring you or your Spouse as a dependent.

In situations where you or your Dependent Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
 - The Plan where the person is covered as an active part-time employee, then
 - The Plan where the person is covered as a retiree.
- For Claims incurred by your Dependent Child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
 - The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child), then
 - The Plan of the parent not having custody of the child, then
 - The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child).
- Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

The Claims Process

- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
- If the insured person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

Submitting a Claim for Co-ordination of Benefits

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

The patient will then have the opportunity to deliver additional or alternative material to the second opinion service coordinator, for consideration by the physicians of the consortium hospital rendering the opinion. If such information is still insufficient, then the physicians of such consortium hospital have the right to refuse to render a second opinion, and neither they nor the second opinion service coordinator nor Manulife shall have any further obligation in relation to such second opinion request.

Manulife Financial will apply the following rules in determining your disability benefit:

- benefits payable under individual disability income insurance will not be taken into account;

Long Term Disability - Subrogation

If your disability is caused by another person and you have a legal right to recover damages, Manulife Financial will request that you complete a subrogation reimbursement agreement when you submit your Long Term Disability claim.

Your Group Benefits

On settlement or judgement of your legal action, you will be required to reimburse Manulife Financial those amounts you recover which, when added to the disability benefits that Manulife Financial paid to you, exceed 100% of your lost income.

Tax Status of Benefits

Long Term Disability - Tax Status

The tax position of any payments you receive under this benefit depends on whether you or your employer pays the cost of the benefit.

If your employer pays a portion or all of the cost, then any disability benefit payments you receive will be taxable. If you pay the full cost of the benefit, then any disability benefit payments you receive will be non-taxable.

Payment of Disability Benefits

Long Term Disability - Payment of Disability Benefits

Disability benefit payments will be made monthly in arrears. Any payment for a period of less than one month will be made at a daily rate of one-thirtieth of your monthly benefit amount.

Rehabilitation Assistance

Long Term Disability - Rehabilitation Assistance

Once Manulife Financial determines that you are Totally Disabled, if appropriate, and at Manulife Financial's discretion, you may be offered rehabilitation to assist you in returning to gainful employment, either to your pre-disability occupation or to another occupation.

In considering whether Rehabilitation Assistance is appropriate for you, Manulife Financial will take into account:

- the nature, extent and expected duration of your disability
- your level of education, training or experience
- the nature, scope, objectives and cost of a Vocational Plan

- Vocational Plan

- Vocational Plan

A Vocational Plan is a training or job placement program that is expected to facilitate your return to gainful employment.

If it is determined that Rehabilitation Assistance is appropriate for you, in partnership with you and your employer, Manulife Financial will provide a structured Vocational Plan that will prepare you for a return to work, either:

- with your employer
- with an alternate employer
- in a self-employed capacity

Your Group Benefits

- Disability Benefits During Rehabilitation

You will continue to be entitled to disability benefits while participating in the Vocational Plan. If you receive any earnings as part of the plan, your disability benefit will be reduced once your total income (your disability benefit plus your earnings) exceeds 100% of your pre-disability gross earnings; net earnings if your benefit is not taxable.

If you cease to participate in the Vocational Plan because of a change in your medical status, Manulife Financial will require medical evidence documenting how your current medical status prevents you from continuing with the Vocational Plan.

If you are not available or do not co-operate or participate in the Vocational Plan, you will no longer be entitled to disability benefits.

**- Disability Benefits

Re-Employment Subsidy Benefit

Recurrent Disability

If you become Totally Disabled again from the same or related causes within 6 months from the end of the period for which Long Term Disability benefits were paid, Manulife Financial will treat the disability as a continuation of your previous disability.

You will not be required to satisfy the Qualifying Period again. The benefit payable to you will be based on your earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 6 months after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

Waiver of Premium

The premium for your Long Term Disability benefit will be waived during any period you are entitled to receive Long Term Disability benefit payments.
