Access to Documents

You have the right, upon request, to obtain a copy of the policy, your application and any written statements or other records you have provided to Great-West Life as evidence of insurability, subject to certain limitations.

Legal Actions

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or other applicable legislation (e.g. *Limitations Act, 2002* in Ontario, Quebec Civil Code).

Appeals

You have the right to appeal a denial of all or part of the insurance or benefits described in the contract as long as you do so within one year of the initial denial of the insurance or a benefit. An appeal must be in writing and must include your reasons for believing the denial to be incorrect.

Benefit Limitation for Overpayment

If benefits are paid that were not payable under the policy, you are responsible for repayment within 30 days after Great-West Life sends you a notice of the overpayment, or within a longer period if agreed to in writing by Great-West Life. If you fail to fulfil this responsibility, no further benefits are payable under the policy until the overpayment is recovered. This does not limit Great-West Life's right to use other legal means to recover the overpayment.

COMMENCEMENT AND TERMINATION OF COVERAGE

You are eligible to participate in the plan on the date your employment begins.

- You and your dependents will be covered as soon as you become eligible.
- You must be actively at work when coverage takes effect, otherwise the coverage will not be effective until you return to work.

Increases in your benefits while you are covered by this plan will not become effective unless you are actively at work.

- Temporary, part-time and seasonal employees may not join the plan.

Your coverage terminates when your employment ends, you are no longer eligible, or the policy terminates, whichever is earliest.

- Your dependents' coverage terminates when your insurance terminates or your dependent no longer qualifies, whichever is earlier.
- When your coverage terminates, you may be entitled to an extension of benefits under the plan. Your employer will provide you with details.

DEPENDENT COVERAGE

Dependent means:

- Your spouse, legal or common-law.

A common-law spouse is a person who has been living with you in a conjugal relationship for at least 12 months.

BENEFICIARY DESIGNATION

You may make, alter, or revoke a designation of beneficiary as permitted by law. You should review any beneficiary designation made under this policy from time to time to ensure that it reflects your current intentions. You may change the designation by completing a form available from your employer.

EMPLOYEE BASIC LIFE INSURANCE

On your death, Great-West Life will pay your life insurance benefits to your named beneficiary. If you have not named a beneficiary or there is no surviving beneficiary at the time of your death, payment will be made to your estate. Your employer will explain the claim requirements to your beneficiary.

- Your life insurance terminates when you reach age 71.
- You are entitled to waiver of premium benefits after you have been continuously disabled for 273 days. You will be considered disabled during the period you are entitled to receive Long Term Disability benefits.
- If any or all of your insurance terminates on or before your 65th birthday, you may be eligible to apply for an individual conversion policy without providing proof of your insurability. You must apply and pay the first premium no later than 31 days after your group insurance terminates. See your employer for details.

OPTIONAL LIFE INSURANCE

Optional Life Insurance allows you to choose additional coverage for yourself and your spouse. Check the **Benefit Summary** for the amount of Optional Life Insurance available. When you apply for Optional Life Insurance, you must provide proof of your insurability, and your application must be approved by Great-West Life. If you or your spouse die within two years after applying for Optional Life Insurance, Great-West Life has the right to verify any medical information you or your spouse provided. If any inconsistencies are discovered, the claim will be denied and any premiums paid will be refunded.

On your death, Great-West Life will pay your life insurance to your named beneficiary. If you have not named a beneficiary or there is no surviving beneficiary at the time of your death, payment will be made to your estate. Your employer will explain the claim requirements. If your spouse dies you will be paid the amount for which he or she was insured.

- If you are approved for waiver of premium on your basic life insurance, any optional life insurance for yourself or your spouse will also continue without premium payment as long as your basic life insurance continues but not beyond the date your optional insurance would otherwise terminate.
- If your or your spouse's optional life insurance terminates, you or your spouse may be eligible to apply for an individual conversion policy without providing proof of insurability. You must apply and pay the first premium no later than 31 days after your group insurance terminates. See your employer for details.
- Your optional life insurance terminates when you reach age 65. Your spouse's coverage terminates at the same time, or when he or she reaches age 65 or is no longer your spouse, whichever comes first.

Limitation

No benefit is paid for suicide within the first two years of initial or increased optional life coverage. In such a situation, Great-West Life refunds the premiums that have been received.

**BASIC ACCIDENTAL DEATH, DISMEMBERMENT AND
SPECIFIC LOSS (AD&D) INSURANCE**

If you suffer one of the losses listed below as the result of an accident which occurs while you are insured, you will be paid the factor or portion of the Principal Sum shown opposite the loss in the table below. The loss must occur no later than 365 days after the accident. For loss of use, the loss must be continuous for 365 days. If you suffer multiple losses to the same limb as the result of the same accident, only the loss providing the highest amount payable will be paid.

If you die as a result of an accident, Great-West Life will pay the Principal Sum to your named beneficiary. If you have not named a beneficiary or there is no surviving beneficiary at the time of your death, payment will be made to your estate. Your employer will explain the claim requirements to your beneficiary.

The Principal Sum is the maximum amount that will be paid for all injuries resulting from the same accident. For paraplegia, hemiplegia, and quadriplegia, the maximum amount that will be paid for all injuries resulting from the same accident is two times the Principal Sum.

Your AD&D insurance terminates when you reach age 71.

Surgical Reattachment

If you suffer the loss of a limb that is surgically reattached, Great-West Life will pay 50% of the amount that would have been payable if the loss had been permanent, regardless of the amount of use regained. The balance of the benefit will be payable if the reattachment fails and the reattached part is removed within one year after the reattachment was performed.

Repatriation

If you die as the result of an accident that is at least 150 kilometres away from your home, Great-West Life will pay up to \$2,500 for the preparation and transportation of your body to the place of burial or cremation.

Educational Benefit for Dependent Children

If benefits are payable under this benefit provision for your death, Great-West Life will pay the tuition fees for enrolling your dependent children as full-time students at a post-secondary institution. To qualify for an educational benefit, a dependent child must have been enrolled as a full-time student at a post-secondary institution at the time of the accident causing your death, or he must have been enrolled as a full-time student at the secondary school level at the time of the accident causing your death and enrolls as a full-time student at a post-secondary institution within 365 days after the accident.

Great-West Life will pay up to 5% of the Principal Sum, or \$5,000, whichever is less, for each year of full-time post-secondary school enrolment. Great-West Life will pay the educational benefit each year for a maximum of 4 consecutive years upon receipt of proof of full-time enrolment.

No benefits will be paid for tuition expenses incurred before the accident, or room or board or other ordinary living, travelling, or clothing expenses.

Family Transportation Benefit

If you are hospitalized more than 150 kilometres from your home as a result of an injury for which benefits are payable under this benefit provision, Great-West Life will pay up to \$2,000 for transportation and lodging expenses for one family member to join you.

Benefits for lodging are limited to moderate quality accommodation for the area of hospitalization. Telephone expenses and taxicab and car rental charges are included. Meal expenses are not covered.

Transportation expenses are limited to round trip economy class transportation. If a private vehicle is used, expenses are limited to \$.44 per kilometre travelled.

Occupational Training Benefit for Spouses

If benefits are payable under this benefit provision for your death, Great-West Life will pay for expenses associated with your spouse's enrolment in an accredited occupational training program. The purpose of the training program must be to provide the spouse with at least the minimum qualifications required for employment in an occupation for which the spouse would not otherwise qualify.

Great-West Life will pay up to 10% of the Principal Sum, or \$10,000, whichever is less.

No benefits will be paid for expenses incurred more than 3 years after the accident causing your death, or room or board or other ordinary living, travelling, or clothing expenses.

Educational Benefit

If benefits are payable under this benefit provision for an injury that requires you to change occupations, Great-West Life will pay the tuition fees for enrolling you as a student at a post-secondary institution for training in a new occupation. To qualify for an educational benefit, you must enrol at a post-secondary institution within 365 days after the accident. Great-West Life will pay up to \$10,000.

No benefits will be paid for tuition expenses incurred before the accident, expenses incurred more than 2 years after the accident causing the injury, or room or board or other ordinary living, travelling, or clothing expenses.

Wheelchair Benefit

If benefits are payable under this benefit provision for an injury that requires the use of a wheelchair for you to be ambulatory, Great-West Life will pay for alterations to your principal residence to make it wheelchair accessible and habitable, and modifications to a motor vehicle you use to make it accessible to and driveable by you.

Benefits for home alterations are payable only if the person or persons making the changes are experienced in home alterations for wheelchairs, and recommended by an organization recognized for providing support and assistance to wheelchair users.

Benefits for vehicle modifications are payable only if the person or persons making the changes are experienced in vehicle modification for wheelchairs, and the modifications are approved by the provincial vehicle licensing authority.

Great-West Life will pay up to \$10,000 for all home and vehicle modifications combined.

No benefits will be paid for expenses incurred more than 365 days after the accident, or for subsequent alterations to your home or vehicle after an initial claim for benefits has been made under this wheelchair benefit provision.

Limitations

No benefits are paid for injury or death resulting from:

- Intentionally self-inflicted injury or suicide
- Viral or bacterial infections, except pyogenic infections occurring through the injury for which loss is being claimed
- Any form of illness or physical or mental infirmity
- Medical or surgical treatment, except surgical reattachment

- War, insurrection or voluntary participation in a riot
- Service in the armed forces of any country
- Air travel serving as a crew member, or in aircraft owned, leased or rented by your employer, or air travel where the aircraft is not licensed or the pilot is not certified to operate the aircraft

How to Make a Claim

- To claim benefits for yourself, ask your employer for a claim form. Complete it and return it to your employer.
- If you die accidentally, your employer will explain the claim requirements to your beneficiary.
- Claims should be submitted as soon as possible, but no later than 15 months after the loss.

OPTIONAL ACCIDENTAL DEATH, DISMEMBERMENT AND SPECIFIC LOSS (AD&D) INSURANCE

Optional Accidental Death, Dismemberment and Specific Loss Insurance allows you to choose additional coverage. Check the **Benefit Summary** for the amount of Optional AD&D available. For benefit details, refer to your Basic AD&D section.

SHORT TERM DISABILITY (STD) INCOME BENEFITS

The plan provides you with regular income to replace income lost because of a disability due to disease or injury. Benefits begin after the waiting period is over and continue until you are no longer disabled or until the end of the benefit period, whichever comes first. Check the **Benefit Summary** for the benefit amount, waiting period and benefit period.

- STD benefits are payable after the waiting period if disease or injury prevents you from doing your own job. You are **not** considered disabled if you can perform a combination of duties that regularly took at least 60% of your time to complete.
- If you have not seen a physician before the end of the waiting period, benefits will not be payable until after your first visit to the physician.
- Separate periods of disability arising from the same disease or injury are considered to be one period of disability unless they are separated by at least 2 weeks of continuous full-time work.
- Because your employer contributes to the cost of STD coverage, benefits are taxable.

Other Income

Your STD benefit is reduced by other income you are entitled to receive while you are disabled. Other income includes:

- disability benefits you are entitled to on your own behalf under the Canada or Quebec Pension Plan, except for increases that take effect after the benefit period starts
- benefits under any Workers' Compensation Act or similar law
- benefits under a legislated automobile insurance plan where permitted by law

Earnings received from an approved rehabilitation plan or program are not used to reduce your STD benefit unless those earnings, together with your income from this plan and the other income listed above, would exceed your weekly earnings before you became disabled. If it does, your benefit is reduced by the excess amount.

Vocational Rehabilitation Benefits

Vocational rehabilitation involves a work related activity or training strategy that is designed to help you return to gainful employment and a more productive lifestyle. A plan or program will be approved if it is appropriate for the expected duration of your disability and it facilitates your earliest possible return to work.

Medical Coordination Benefits

Medical coordination is a process of early involvement to ensure that you are diagnosed quickly and receive appropriate treatment on a timely basis. The goal is to enable you to return to work as early as possible and to prevent the disability from becoming long term or permanent.

Limitations

No benefits are paid for:

- Any period in which you do not participate or cooperate in a prescribed plan of medical treatment appropriate for your condition.

Depending on the severity of the condition, you may be required to be under the care of a specialist.

If substance abuse contributes to your disability, the treatment program must include participation in a recognized substance withdrawal program.

- The scheduled duration of a lay-off or leave of absence.

This does not apply to any portion of a period of maternity leave during which you are disabled due to pregnancy.

- Any period of employment, except in an approved rehabilitation plan or program.
- Any period after you fail to participate or cooperate in an approved rehabilitation plan or program.

- Any period after you fail to participate or cooperate in a recommended medical coordination program.
- Disability due to or associated with cosmetic treatment.
- Any period of confinement in a prison or similar institution.
- Disability arising from war, insurrection or voluntary participation in a riot.

How to Make a Claim

Notify your employer of your disability as soon as possible. Obtain an Employee Claim Submission Guide (form M5454) from your employer and follow the guide's instructions. Please ensure that your claim is submitted to Great-West Life within 10 days after the onset of your disability.

LONG TERM DISABILITY (LTD) INCOME BENEFITS

The plan provides you with regular income to replace income lost because of a lengthy disability due to disease or injury. Benefits begin after the waiting period is over and continue until you are no longer disabled **as defined by the policy** or you reach age 65, whichever comes first. Check the **Benefit Summary** for the benefit amount and waiting period.

- If disability is not continuous, the days you are disabled can be accumulated to satisfy the waiting period as long as no interruption is longer than 2 weeks and the disabilities arise from the same disease or injury. If your STD benefits are still being paid when the waiting period ends, the waiting period will be extended until the end of the STD benefit period, but not later than one year after your disability started.
- LTD benefits are payable for the first 24 months following the waiting period if disease or injury prevents you from doing your own job. You are **not** considered disabled if you can perform a combination of duties that regularly took at least 60% of your time to complete.
- After 24 months, LTD benefits will continue only if your disability prevents you from being gainfully employed in any job. Gainful employment is work you are medically able to perform, for which you have at least the minimum qualifications, and provides you with an income of at least 50% of your indexed monthly earnings before you became disabled.
- After the waiting period, separate periods of disability arising from the same disease or injury are considered to be one period of disability unless they are separated by at least 6 months.
- Because your employer contributes to the cost of LTD coverage, benefits are taxable.
- Your LTD insurance terminates when you reach age 65.

Other Income

Your LTD benefit is reduced by other income you are entitled to receive while you are disabled. Your benefit is first reduced by:

- disability benefits you or another member of your family is entitled to on the basis of your disability under the Canada or Quebec Pension Plan that are paid directly to you, except for increases that take effect after the benefit period starts
- retirement benefits under the Canada or Quebec Pension Plan, except for increases that take effect after the benefit period starts
- benefits under any Workers' Compensation Act or similar law

There is a further reduction of your LTD benefit if the total of the income listed below exceeds 80% of your monthly earnings before you became disabled. If it does, your benefit is reduced by the excess amount.

- your income under this plan
- loss of income benefits available through legislation, except for Employment Insurance benefits, which you and any other member of your family are entitled to on the basis of your disability, including automobile insurance benefits where permitted by law
- disability benefits under a plan of insurance available through membership in an association
- employment income, disability benefits, or retirement benefits related to any employment except an approved rehabilitation plan or program (termination pay and severance benefits are included as employment income under this provision)

Earnings received from an approved rehabilitation plan or program are not used to reduce your LTD benefit unless those earnings, together with your income from this plan and the other income listed above, including any increases in Canada or Quebec Pension Plan benefits that take effect after the benefit period starts, would exceed your indexed monthly earnings before you became disabled. If it does, your benefit is reduced by the excess amount.

Vocational Rehabilitation Benefits

Vocational rehabilitation involves a work related activity or training strategy that is designed to help you return to gainful employment and a more productive lifestyle. A plan or program will be approved if it is appropriate for the expected duration of your disability and it facilitates your earliest possible return to work.

Medical Coordination Benefits

Medical coordination is a process of early involvement to ensure that you are diagnosed quickly and receive appropriate treatment on a timely basis. The goal is to enable you to return to work as early as possible and to prevent the disability from becoming long term or permanent.

Limitations

No benefits are paid for:

- Disability arising from a disease or injury for which you received medical care before your insurance started. This limitation does not apply if your disability starts after you have been continuously insured for 1 year, or you have not had medical care for the disease or injury for a continuous period of 90 days ending on or after the date your insurance took effect.
- Any period in which you do not participate or cooperate in a prescribed plan of medical treatment appropriate for your condition.

Depending on the severity of the condition, you may be required to be under the care of a specialist.

If substance abuse contributes to your disability, the treatment program must include participation in a recognized substance withdrawal program.

- The scheduled duration of a lay-off or leave of absence.

This does not apply to any portion of a period of maternity leave during which you are disabled due to pregnancy.

- Any period after you fail to participate or cooperate in an approved rehabilitation plan or program.

- Any period after you fail to participate or cooperate in a recommended medical coordination program.
- Any 12-month period in which you do not live in Canada for at least 6 months.
- Any period of confinement in a prison or similar institution.
- Disability arising from war, insurrection, or voluntary participation in a riot.

How to Make a Claim

Before the end of the short term disability benefit period, Great-West Life will ask your employer to provide information to begin processing your LTD claim. All information must be submitted within 6 months of the request.
