RE: STANDBY EMPLOYEES

IT IS AGREED that those Event Scheduled employees who are unable to make themselves available for year-round scheduling due to the elimination of the “Live Race Days” designation will have the option of being placed on a Standby list according to their present classification and current seniority.

Those Event Scheduled employees, currently designated as working “Live Race Days”, who elect to be placed on the Standby list shall have the option to work any days for which the employer may require them. The employer will only offer this option to work when the classification seniority list on which the employee last appeared prior to going on the Standby list is exhausted. The Standby list for a classification will be exhausted before reverse seniority is applied to that classification’s other employees.

Standby employees may decline to be scheduled without penalty. They will not be subject to reverse seniority.

Standby employees will continue to accrue seniority as per Article 13.

If a Standby employee has not worked in any one-year period and has declined work during that time, they will be removed from the Standby list and terminated. The employer agrees to make available a minimum of two (2) shifts during any calendar year for all standby employees for the purpose of maintaining active skill and knowledge levels in their classification. The employer may schedule out of seniority order to accommodate this provision.

Upon ratification of the Collective Agreement, the employer will notify all “Live Race Day” employees to offer them the options of electing to go on the Standby list or the Event Scheduled list within their classification. The employees will be allowed two (2) weeks from the date of notification to select their option. Any “Live Race Day” employee who does not respond as required will be placed on the Event Scheduled employee seniority list and scheduled accordingly. An employee who elects to go on the Event Scheduled employee list will be placed on the seniority list according to their classification seniority.

If a Standby employee’s status changes and they can be available to be scheduled year round, they will notify the employer in writing, who will accommodate the move within 30 days of notification. Once an employee has transferred to the Event Scheduled Employee list they will not be allowed to return to the Standby list. An employee who transfers to the Event Scheduled Employee list will be placed on the seniority list according to their classification seniority.

Standby employees will have access to all terms and conditions of the Collective Agreement.
