- Payment of Covered Expenses

Payment of your covered drug expenses will be subject to any Drug Deductible, any Drug Dispensing Fee Maximum, the Benefit Percentage for drugs and any maximum.

Covered expenses for any prescribed drug will not exceed the price of the lower cost alternative drug that can legally be used to fill the prescription, as listed in the Provincial Drug Benefit Formulary or a lower cost alternative that provides therapeutically similar results as identified by Manulife Financial.

Manulife Financial can limit the covered expense for any drug to that of a lower cost interchangeable drug at the time the drug is purchased.

If there is no lower cost alternative drug for the prescribed drug, the amount payable is based on the cost of the prescribed drug.

- No Substitution Prescriptions

If your prescription contains a written direction from your physician or dentist that the prescribed drug is not to be substituted with another product and the drug is a covered expense under this benefit, the full cost of the prescribed product is covered.

When you have a "no substitution prescription", please ask your pharmacist to indicate this information on your receipt, when you pay for the prescription. This will help to ensure that your expenses will be reimbursed appropriately when your claim is submitted to Manulife Financial for payment.

Payment of your covered drug expenses will be subject to any Drug Deductible, any Drug Dispensing Fee Maximum, the Benefit Percentage for drugs and any maximum.

- Payment of Drug Claims

Your Pay Direct Drug Card provides your pharmacist with immediate confirmation of covered drug expenses. This means that when you present your Pay Direct Drug Card to your pharmacist at the time of purchase, you and your eligible dependents will not incur out-of-pocket expenses for the full cost of the prescription.

The Pay Direct Drug Card is honoured by participating pharmacists displaying the appropriate Pay Direct Drug decal.

To fill a prescription for covered drug expenses:

- a) present your Pay Direct Drug Card to the pharmacist at the time of purchase, and
- b) pay any amounts that are not covered under this benefit.

You will be required to pay the full cost of the prescription at time of purchase if:

- you cannot locate a participating Pay Direct Drug pharmacy
- you do not have your Pay Direct Drug Card with you at that time
- the prescription is not payable through the Pay Direct Drug Card system

For details on how to receive reimbursement after paying the full cost of the prescription, please see your Plan Administrator.

Important Note

The purpose of this booklet is to outline the benefits for which you are eligible as an employee of FortisBC Energy Inc. The information in this booklet is a summary of the provisions of the Plan Document for the Extended Health Care, Out-of-Province or Out-of-Canada and Dental Care Benefits. In the event of a discrepancy between this booklet and the Plan Document (both available from your employer), the terms of the Plan Document will apply.

The booklet is provided for information purposes only and does not create or confer any contractual rights or obligations.

Possession of this booklet alone does not mean that you or your dependents are covered. The Plan Document must be in effect and you must satisfy all the requirements of the Plan.

Where required by law, you or any claimant under the Plan Document has the right to request a copy of any or all of the following items:

- the Plan Document,
- your application for group benefits, and

In the case of a claimant, access to these documents is limited to that which is relevant to the filing of a claim, or the denial of a claim under the Plan Document.

Manulife Financial reserves the right to charge you for such documentation after your first request.

We suggest you read this Benefit Booklet carefully, then file it in a safe place with your other important documents.

The Plan Document Number and your Certificate Number are also necessary for ALL correspondence with Manulife Financial. Please note that you can print your Certificate Number on the front of this booklet for easy reference.

Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Employer's Representative

Your employer is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your employer with the necessary information to perform such duties.

Your Employer's representative is _____
Phone Number: _____

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed Enrolment or Re-enrolment Application form, available from your employer. Your employer then forwards the application to Manulife Financial.

Making Changes

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your employer. Such changes could include:

- change in Dependent Coverage
- applying for coverage previously waived
- change in Name

The Claims Process

How to Submit a Claim

All claim forms, available from your employer, must be correctly completed, dated and signed. Remember, always provide your Plan Document Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim.

Your employer can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

You may not commence legal action against the Employer or the Administrator less than 60 days after proof has been filed as outlined under Submitting a Claim. Every action or proceeding against the Employer or the Administrator for the recovery of money payable under the plan is absolutely barred unless commenced within the time set out in the Insurance Act or applicable legislation.

Payment of Extended Health Care, Out-of-Province or Out-of-Canada and Dental Claims

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, your employer will help explain.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact your employer.

Co-ordination of Extended Health Care, Out-of-Province or Out-of-Canada and Dental Care Benefits

If you or your dependents are covered for similar benefits under another Plan, this information will be taken into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of covered medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs,
- any other arrangement of coverage for individuals in a group, and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the "Primary Carrier" (i.e., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the "Secondary Carrier" (i.e., responsible for making the payment to cover the remaining eligible expense).

- If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.

- If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- For Claims incurred by you or your Dependent Spouse:

The Plan covering you or your Dependent Spouse as an employee/member pays benefits before the Plan covering you or your Spouse as a dependent.

In situations where you or your Spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
- The Plan where the person is covered as an active part-time employee, then
- The Plan where the person is covered as a retiree.

- For Claims incurred by your Dependent Child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child).
- Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

- A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.
- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.
- If the person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

The Claims Process

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.
- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.

If you or your dependents incur charges for any of the Covered Expenses specified, your Extended Health Care benefit can provide financial assistance.

Payment of Covered Expenses is subject to any maximum amounts shown below under The Benefit and in the expenses listed under Covered Expenses.

Claim amounts that will be applied to the maximum are the amounts paid after applying the Deductible, Benefit Percentage, and any other applicable provisions.

Covered Expenses

The expenses specified are covered to the extent that they are reasonable and customary, as determined by Manulife Financial or your employer, provided they are:

- medically necessary for the treatment of an illness or injury and recommended by a physician
- incurred for the care of a person while covered under this Group Benefit Program
- reasonable taking all factors into account
- not covered under the Provincial Plan or any other government-sponsored program
- legally insurable
- used as prescribed or recommended by a physician
- associated with any drug, supply or service that was subject to the due diligence process, the process has been completed with the result that expenses for that drug, supply or service are eligible under the plan as of the date of approval as determined by the administrator and shared with your employer as required.

In the event that a provincial plan or government-sponsored program or plan or legally mandated program excludes, discontinues or reduces payment for any services, treatments or supplies formerly covered in full or in part by such plan or program, this plan will not automatically assume coverage of the charges for such treatments, services or supplies, but will reserve the right to determine, at the time of change, whether the expenses will be considered eligible or not.

This plan will not automatically assume eligibility for all drugs, services and supplies. New drugs, existing drugs with new indications, services and supplies are reviewed by Manulife Financial using the due diligence process. Once this process has been completed, the decision will be made by Manulife Financial to include as a covered expense, include with prior authorization criteria, exclude or apply maximum limits.

Manulife Financial maintains a list of drugs, services and supplies that require prior authorization. Prior authorization is applied to ensure that the therapy prescribed is medically necessary. Where there are lower cost alternative treatments or prescribing guidelines recommend alternative drugs be tried first that are lower in cost, you or your eligible dependents will be required to have tried an alternative treatment unless medical contraindications to alternative treatments exist.

At Manulife Financial's discretion, medical information, test results or other documentation will be required from your physician to determine the eligibility of the drug, service or supply.

Manulife Financial has the right to ensure you or your dependents access Manulife Financial's exclusive distribution channels where applicable when purchasing a drug, service or supply. Manulife Financial may decline a drug, service or supply purchased from a provider outside the exclusive distribution channel.

Adherence

Non-compliance may result in the drug, service or supply no longer being eligible for reimbursement.

Pre-Determination of Benefits

If the cost of any proposed dental treatment is expected to exceed \$500, it is suggested that you submit a detailed treatment plan, available from your dentist, before the treatment begins. You can then be advised of the amount you are entitled to receive under this benefit.

Work in Progress When Coverage Terminates

Covered expenses related to dental treatment that was in progress at the time your dental benefits terminate (for reasons other than termination of the Plan Document or the Dental Care Benefit) are payable, provided the expense is incurred within 31 days after your benefit terminates.

Submitting a Claim

To submit a claim, you and your dentist must complete a Dental Claim form available from your employer. All claims must be submitted by December 31st of the following calendar year from the date the expense was incurred.

Subrogation (Third Party Liability)

If your dental expenses result from an injury caused by another person and you have the legal right to recover damages, your employer may request that you complete a subrogation reimbursement agreement when you submit a claim for such expenses.

On settlement or judgement of your legal action, you will be required to reimburse your employer those amounts you recover which, when added to the payments you received from your employer, exceed 100% of your incurred expenses.
