Main text:

Your Bargaining Committee has been working hard to negotiate a fair collective agreement for you. May 10, 2017 was our last meeting with the Employer Committee.

We have attempted to get back to the bargaining table or get the final offer in writing to present to you and discuss options. Your employer has ignored our requests.

We will be taking a strike vote on July 27, 2017. We understand your attendance at the meeting is on your lunch break.

Our goal is to get the bargaining happening again. It is really important all of you attend, ask questions and vote.
