

# Bulletin

## Information on Repatriation for BC Hydro Stewards

Thursday, March 2, 2017

**To: All MoveUP Job Stewards and Executive Councillors at BC Hydro**

---

You will by now have read our bulletin about BC Hydro bringing the work it outsourced to Accenture Business Services BC (ABSBC) back into the utility.

We're enthusiastic about this decision and the opportunities it represents for our members. It's the right move for our members at BC Hydro and ABSBC, and for the overall health and stability of the utility.

Some details still need to be worked out before operations move back to BC Hydro on May 1, 2018. We will be working on those details with BC Hydro and ABSBC, and sharing the information with you as more information is available. We will have our own FAQ up on our website early next week, and we encourage you to check BC Hydro's information site.

**We will also need your help.** You are our deepest, best connection in the workplace. We need you to share with us what you're hearing. We want to hear about our members' reactions to the repatriation, share our story of how this happened and answer questions. And we need to encourage your colleagues to attend the upcoming in-person meetings we're holding for BC Hydro and ABSBC members.

We will be equipping you with information you need. **Our first steward meeting regarding repatriation will take place at the MoveUP Job Stewards Seminar at 4:45 pm this Friday.** The meeting will include both BC Hydro and ABSBC stewards.

Finally, if any of our members have questions you're not able to answer through the BC Hydro information site or the FAQs we post next week, please email us at [Repatriation@MoveUPTogether.ca](mailto:Repatriation@MoveUPTogether.ca).

We're always grateful for your support and all the work you do on behalf of MoveUP. We're especially thankful to be working with you as we move through the repatriation process.

In solidarity,

David Black, President

Gwenne Farrell, Vice-President

Brad Bastien, Senior Union Representative
