Catalyst Paper - Bargaining Bulletin #1

Monday, May 29, 2017

To all MoveUP members at Catalyst Paper:

A membership meeting has been scheduled, as follows:

MEETING NOTICE: Friday, June 23, 2017
LOCATION: RCM (green room), Technical building
TIME: 4:30pm

Please be advised that I have taken conduct of your bargaining to negotiate a renewal of your collective agreement that expired on January 15, 2017. To that end, I would like the opportunity to meet with you to provide you with timelines and other information about the bargaining process. I would also like to hear your concerns, comments and ideas as we undertake the bargaining process.

In solidarity,
Karen Rockwell, Union Representative
