

Join our team and make a difference in your community

The start of our annual employee giving campaign is only a few weeks away. Every fall, employees across the province come together in support of programs that are vital to the wellbeing of our communities.

This year's campaign is October 16 – 30, and your support is needed more than ever. The campaign's continued success owes much to the efforts of our [volunteer campaign representatives](#), who are an important part of United Way being able to make a difference where it's needed most.

With your help, more children are enrolled in after-school programs, families have access to nutritious food and stable housing, and seniors can stay social and active through community programs.

Being a campaign representative won't require a lot of your time, but it will be a great chance to develop new skills, connect with your colleagues and show your love for our communities.

What campaign reps do:

- Participate in a training session
- Put up posters (provided by the planning team)
- Plan special events/activities to encourage donations
- Answer colleagues' questions about UW and the campaign
- Collect fundraising proceeds, complete documentation and deposit funds

Before you head out on vacation, speak with your manager and sign up to be a United Way Champion by contacting [Kathleen Todd](#), our United Way Volunteer Recruitment Coordinator.

Thanks in advance to our employees, volunteers and management who continue to support this important initiative.

Louisa Mendonça and **Harvey Kooner**
