

## **Bargaining**

### **Coast Mountain Bus – Bargaining Site Visits – January 22, 2020**

---

**January 22, 2020**

**To: All Members at Coast Mountain Bus Company**

---

Your Bargaining Committee has been working hard at modernizing and improving your collective agreement for the last eight (8) months of bargaining with the Employer. We will be going back to the table on Monday, February 10th, 2020 to table monetary items.

We have heard from the membership about the length of time it is taking to get a deal so the Bargaining Committee is setting up bargaining information meetings where we want to answer your questions and queries and dispel any rumours you may be hearing. Please see the list below of the meetings sites and times, we hope to see the membership attend as the bargaining committee is working and fighting hard to preserve your rights in your collective agreement!
