RE: Teamsters Local Union No. 155 (the "Employer") -and- MoveUp
(the "Union")
(Section 78 - Case No. 2020-000132)

Teamsters Local Union No. 155 (the "Employer") has applied under Section 78 of the *Labour Relations Code* for a Labour Relations Board supervised last offer vote. Enclosed you will find the appropriate documentation in this regard.

The Union objects to the application and has asked that the ballot box be sealed until its unfair labour practice complaint can be adjudicated. Please advise the Returning Officer/Deputy Returning Officer to seal the ballot box at the conclusion of the vote.

Please copy the Board on the notice of poll so that the Board is aware of its location and time.

By copy of this letter to the Employer, I am requesting that the Employer now provide a copy of the final offer document to all employees in the bargaining unit.

Thank you for your attention to this matter.

Jennifer Glougie
