Hello Everyone,

As some of you might already know I am a Job Steward for Move Up. (Our Union)

I am very excited and motivated to be able to represent and to be a voice for all of us.

Since I joined as a Job Steward I have learned that there are many of us that don't really know what the Union does and what our rights and responsibilities are at work. I want to be able to be more involved and have more insight about what the union is doing and what changes are being made not just in our collective agreement but in everything that make an impact on us. To be able to have a better understanding to help you when a situation comes! There are commitments and a lot of my own time that come into play with this but I have happily chosen to do **bio truncated due to length**
