

MoveUP AV Bank Limits

Per Article 14.07 of the MoveUP collective agreement, employees may bank a maximum of 5 days of annual vacation (AV) per year if they have 5 or more years of service. The maximum number of AV days they can have in their AV bank may not exceed the maximum possible days based on their total years of service. The table below provides the maximum number of days/hours an employee can have in their bank based on their total years of service.

If your bank already exceeds the maximum at year end, you will not be able to bank any further days for the year even if you have 5 or more years of service. For example if an employee with 10 years of service already had 30 or more days in their bank (maximum possible) they will not be able to bank any AV days for the year.
