Orange Shirt lapel pin workshop and educational

Over the past few years, the Canadian Equity Council (CEC) at COPE National has been meeting and making plans for an exciting lead up to the National COPE Convention in June 2022.

Culture with COPE is a planned series of workshops and teachings to inspire, educate and further discover all aspects of many equity-seeking groups. We are proud to sponsor the first on-line event which is a hands-on recreation of a symbolic reminder – **an orange shirt**. This beaded lapel pin workshop and educational will empower you as a settler or further discover your own indigenous roots.

We are fortunate to have Marissa Magneson, a Cree Métis artist, photographer, educator as the workshop facilitator as our guest. Marissa's work is rooted in decolonizing education, strengthening community and cultural reclamation.

The workshop will take place on the following dates and times:

Thursday, February 24, 2022 from 7:30 pm to 9:30 pm (EST)
Friday, February 25, 2022 from 7:30 pm to 9:30 pm (EST)

The first workshop will be presented in English with French translation and the second will be English only.

All materials needed to create this pin will be sent to each participant to their home address and at no charge to the COPE member. It is important, therefore, to provide us with your full mailing address on the attached registration form.

The number of participants is limited for each date so if you are interested, we encourage you to secure your reservation as soon as you're able. The deadline to register is **Friday, February 11, 2022**.

Send the attached form to the attention of Tanya La Rush, CEC member, at tanya.larush@gmail.com. Additionally, if you had any questions, you can send them to the same email address.

Thank you and we hope you'll be able to join us!
