Dear Mr. Neagu:

Re: ATU Local 134 Negotiations

On behalf of our 12,000-plus members, MoveUP would like to express our solidarity and support for the Blue Bus workers represented by ATU Local 134 in their fight for a fair and equitable contract.

Our union shares a very close bond with the workers at Blue Bus as we have nearly 600 members who work in the public transit sector at BC Transit in Victoria, Coast Mountain Bus Company, and TransLink. Our members see the vital importance of the work they do, and of their colleagues in other areas, in keeping our public transit systems running every day to serve transit users in their communities.

Blue Bus workers deserve a fair deal that recognizes the importance of the work they do and compensates them appropriately for it.

Our union, and our members, officers, and staff, stand firmly in support of ATU Local 134 and the Blue Bus workers and wish you the best of luck in your ongoing negotiations.

In solidarity,

Lori Mayhew
President
