BCFED Convention

The 60th BC Federation of Labour Convention took place at the Vancouver Convention Centre from November 21 to 25 and MoveUP was out in full force with our team of delegates representing our members and speaking to resolutions that were up for debate, including many of which were submitted by our union.

MoveUP would like to acknowledge and congratulate Graeme Hutchison, our secretary-treasurer, on being elected to the BCFED executive council representing the Fraser Valley Labour Council. We would also like to acknowledge and congratulate Brenda Chu, MoveUP executive board member, who was re-elected to the position of trustee of the BCFED for a new four-year term. Both were acclaimed.
