### **Kelsea Nadeau-Brisard:**

Working at United Steelworkers Local 1944, I've seen the members rally together to fight for a fair collective agreement. The dynamics between the Company and the employees has solidified for me the importance that Unions play in the workforce and inspired me to become more active in MoveUp.

I am passionate about labour rights and the impact it has on human rights. Being a young worker, I am committed to creating a more diverse and inclusive labour movement for all and to see MoveUP continue to prosper in the years to come.

I believe that my experience outside of the Union, including being an ESL teacher, along with my respect for the working class will make me an ideal candidate to represent the members of the Labour Group. I look forward to representing you on the Executive Council.

Kelsea
