8TH ANNUAL BOB DERBY MEMORIAL GOLF TOURNAMENT SPONSORSHIP PACKAGE

Dear Community Partner,

We are excited to announce that our 8th annual Bob Derby Memorial Charity Golf Tournament is returning on July 26, 2024. We are particularly thrilled that we will be bringing our tournament to the illustrious Northview Golf & Country Club, an Arnold Palmer Signature Course and a PGA Tour Quality course.

This year also marks a special milestone for our event as it marks the 10th year since our very first tournament in 2015. Last year, we hosted our first event in three years coming out of the COVID-19 pandemic and the incredible support we received from our tournament sponsors allowed us to raise approximately \$70,000 in support of The Union Protein Project.

After careful consideration and consultation with our tournament committee, we felt our tournament had the potential to support our communities and the people in them even further. We recognize that people who face food insecurity also face tremendous mental health strains as a result, and so this year we are proud to bring the Courtnall Society for Mental Health on board as a charitable recipient alongside The Union Protein Project.

The Courtnall Society for Mental Health was founded to raise funds and awareness for mental health. Their efforts are dedicated to raising funds to provide grants to organizations helping those with mental health challenges. Across Canada, millions of individuals face mental health challenges, and all too often don't get the help they need. By supporting community-centric services, the Courtnall Society for Mental Health helps ensure that individuals have access to the help they need quickly and easily.

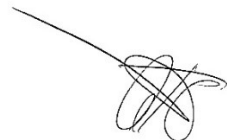

The Union Protein Project subsidizes the cost of protein for food banks allowing them to provide canned fish and peanut butter that many at-risk families just can't afford. They have helped food banks save precious money and maximize their purchasing power by subsidizing the cost of protein-based foods.

For our corporate partners and sponsors, growing our tournament increasing our number of charitable benefactors means that not only will your generosity help support even more crucial causes in our communities, but your brand exposure will be doubled when you sponsor our tournament this year. We know we can count on your support again this year as we make our tournament the biggest and best it has ever been.

This package outlines the many benefits that our sponsors get in exchange for their support. We are also happy to tailor a sponsorship package that works for your organization's specific needs. Please feel free to contact us at golf@moveuptogether.ca if you have any questions.

We look forward to seeing you at our 8th annual Bob Derby Memorial Charity Golf Tournament on July 26!

Sincerely,

Annette Toth

Why be a sponsor?

Giving back helps the local community

As a sponsor, your donation will go towards two great causes helping at-risk families get access to health and nutritious meals through The Union Protein Project, as well as providing important access to mental health supports through the work of the Courtnall Society for Mental Health.

Get in front of your target market

It is an opportunity to mingle with tournament partners, players, and contributors, representatives from our two charitable benefactors, network with potential clients, and have some fun. Or just come for the delicious buffet dinner!

Get your brand noticed

Being featured in our event advertising on our event website and social media and having event signage with your logo are all great ways to leverage your sponsorship and get brand recognition. Additionally, our charitable partners will also help expose your brand to their network of contacts as well.

Hang out with the stars

Our annual event always brings out some cool celebrities. Past attendees include former Vancouver Canucks star and Sportsnet media personality Kevin Bieksa, past and current NHL stars including Troy Stecher, Erik Gudbranson, Brendan Gallagher, past and current CFL stars Odell Willis and Manny Arceneaux, and media celebrities like Sportsnet's Dan Murphy and CFOX's Captain Scotty.
