

Edward Mishra - Candidate Bio – Bargaining Committee Member

My name is Eddie Mishra, and I am proud to put my name forward for the role of Bargaining Committee Member. For the past 15 years, I have been both a committed MoveUp member and a dedicated employee of the BCGEU, working to strengthen our collective voice and ensure every member is treated with fairness, dignity, and respect.

Throughout my time in the union, I've had the privilege of serving in a variety of roles that have shaped my understanding of our workplace and the issues that matter most to members. As a Shop Steward for 11 years, I've helped countless colleagues navigate concerns, resolve conflicts, and uphold the rights laid out in our collective agreement. This frontline experience has given me a deep understanding of how our contract works in real life, and how strong bargaining directly impacts each member's day-to-day work.

I have also spent 11 years as an Occupational Health & Safety Representative, advocating for safe and healthy working conditions for all.

My time as an Executive Councillor and in the Joint Labour Management committee strengthened my ability to bring members' voices forward and make sure their perspectives guided key decisions. I have also served in a previous round as a Bargaining Committee Member, where I contributed experience, strategic thinking, and steady leadership throughout negotiations. I am deeply committed to securing fair, equitable agreements that truly reflect the needs and priorities of our membership. Together, we can continue building a stronger, safer, and more equitable workplace for everyone.

In Solidarity,

Eddie Mishra
