

ROBELYN MARTIN

Since joining the GEU in July 2021, I have been an active and committed member of our union. I have completed Job Steward Levels 1, 2, and 3, and have served on several committees, including the Workload Committee and Job Description Committee.

I also participated in the last round of bargaining.

For over a year, I have proudly served as an Executive Councillor, representing our membership in Joint Labour Management meetings and bringing forward issues on their behalf. I have attended the Steward Seminar twice, completing courses such as Psychologically Healthy and Safe Workplaces (CSA Standard) and Job Steward 3. In addition, I have been a delegate at both the MoveUP Convention and the BC Federation of Labour Convention.

I believe my positive outlook, strong work ethic, and cross-departmental experience make me well-suited to serve on the Bargaining Committee once again. I am dedicated to advocating for our collective interests and fostering a supportive, inclusive environment for all members.
